The sub-joined letter from Her Majesty the Queen-Empress of India, expressing her acknowledgments of the sympathy shown towards Herself and Her Royal Highness Princess Beatrice on the occasion of the death of His Royal Highness Prince Henry of Battenberg, is published for general information :—

Osborne, February 14th, 1896.

I have, alas ! once more to thank My loyal Subjects for their warm sympathy in a fresh grievous affliction which has befallen Me and My beloved Daughter, Princess Beatrice, Princess Henry of Battenberg.

This new sorrow is overwhelming, and to Me is a double one, for I lose a dearly loved and helpful Son, whose presence was like a bright sunbeam in My Home, and My dear Daughter loses a noble devoted Husband to whom she was united by the closest affection.

To witness the blighted happiness of the Daughter who has never left Me, and has comforted and helped Me, is hard to bear. But the feeling of universal sympathy so touchingly shown by all classes of My Subjects has deeply moved My Child and Myself, and has helped and soothed us greatly. I wish from My heart to thank My People for this, as well as for the appreciation manifested of the dear and gallant Prince who laid down his life in the service of his adopted Country.

My beloved Child is an example to all, in her courage, resignation, and submission to the will of God.

VICTORIA, R. I.

J. P. HEWETT, *Secy. to the Govt. of India.*
